

Getting Married at Hilton Park

A LITTLE BIT OF HISTORY

Hilton Park has been in the Madden family for ten generations. There is a real sense that you are stepping into history with its ornate wall paper and incredibly beautiful antiques and artefacts. Originally built in 1734, there are multiple reception rooms, each unique in character, combining memorabilia from our ancestors over the last three centuries. The dining room is said to have one of the best views in Ireland overlooking Hilton Lough.

WEDDING RECEPTION

Our experienced and professional staff will be present to look after you and your guests along with members of the Madden family to oversee the management of the occasion. We are happy for you to bring, free of corkage, your own Prosecco, Champagne, wines and other drinks for the wedding-day drinks reception as well as your wine for the wedding dinner.

You and your wedding party will have total exclusivity of the Hilton Park with beautiful grounds, set amidst 400 acres of heritage woodland, pleasure grounds, gardens and lakes.

Guests enter the house through the huge blue doors under a striking Porte Cochere, which leads up the stairs to the three drawing rooms, ideal for a drinks reception. If the weather is fine a drinks reception overlooking the lake or on the front lawn are the ideal spots.

CEREMONY

Hilton Park has many enchanting places to have a ceremony or blessing in the great outdoors such as the rose garden, the woods, and the terrace, in front of the lake or on the croquet lawn facing the house.

In the event of rain the long drawing room can be used.

There are also 2 churches located at the end of the avenue (1 mile away) a Protestant Church and a Catholic Church.

YOUR STAY

Staying at Hilton Park is an integral part of the experience be it for one night or longer. The honey moon room has original four poster bed with 8-foot-long windows overlooking the lake.

For weekends or longer stays we can provide an intimate dinner in the dining room the night before, or after the wedding day with family and friends with something more relaxed such as a stone baked pizza from our wood fired oven or BBQ.

ACCOMMODATION

Hilton Park is exclusively yours for the duration of your stay. Our bedrooms feature principal four-poster rooms, doubles or twins and all have views overlooking the parkland. We provide a delicious breakfast the next morning in our vaulted ceiling breakfast room for all house guests.

We can accommodate over 20 people on the estate between the gate lodges and house.

For attendees of the wedding- There is plenty of accommodation in the local area, including local town Clones, and a little further on are main towns such as Cavan and Monaghan (25/30 minutes' drive) with multiple choices of 5 star and less accommodation. We can help you coordinate shuttle buses for the end of the evening to local accommodation. An extensive list of accommodation is available on request.

THE WEDDING COLONNADE

The wedding colonnade is a truly stunning setting for your reception. Dating from 1845, the colonnade structure was built for exercising horses and is the only one of its type in Ireland.

Our Service

We provide a coordination service for your wedding day and are on hand throughout, leaving you to enjoy every moment with your guests.

With over 30 years in hospitality, we can assure you are in good hands.

Food and Drink

We have a small panel of recommended caterers who are reassuringly professional as well as providing high quality food and service. The caterer's cost is additional to the venue charge and will depend on the number of guests and the type of menu you choose.

The caterer will provide you with the cost of various menu options for canapés, main meal and late food. After you have discussed and agreed your individual requirements with the caterer we then take over and liaise with their team up to the wedding day. You can have as much or as little involvement as you wish.

No Corkage Fee

On the day of the wedding, we charge no corkage for drinks consumed during the drink's reception or wine for the wedding. This allows you to source your own wine and have it served by your caterer. If you wish we can put you in touch with our wine supplier to help you choose your wines etc. The supplier will arrange to have your chosen wines delivered to Hilton Park prior to your wedding celebrations. In choosing a no corkage wedding venue, you'll know exactly how much your wedding will cost and there will be no hidden surprises. You may bring, or have delivered, any items for

your wedding up to a week before the wedding date.
